GIVING PARTNERS

IMPORTANT RUNNING CLUB NOTICE

We are getting reports of children being dropped off for running club before 7:45 and left without adult supervision. We start at 7:45. If you get there before that time, or if no volunteers are present when you arrive, you need to wait with your children until the volunteers are ready. Do not assume we are there especially if you are not on the running club email list.

Please remind your children that running club lasts until 8:15 when they can then go to their classroom. If they occasionally wish to stop early, they need to stay with the adults, either up at the field or on the patio behind the school. If they need to use the bathroom, they may enter the early morning room but they need to come back outside promptly.

If you wish to get notices on the days when running club is cancelled due to weather, please email me at neil.bradley.ga@gmail.com.

Thank you for your cooperation.

-Neil Bradley

HELP KEEP CARPOOL SAFE

- If you are in a parking space during carpool, please stay in that space until carpool is over. Other cars and children are not expecting you to be backing into the lot at this time.

[Visit Our Partners](#)

SCHOOLICTY

[Schoolicity](#) is our online calendar and scheduling vehicle. Check it out!

- Also, please remember to turn **right**, not left, as you leave carpool. Turning left creates an unsafe back-up in our parking lot. Thank you so much for your cooperation!

GETTING READY FOR CONFERENCES

Parent/teacher conferences begin the week of **October 24** and sign-up is through [Schoolicity](#). Please fill out the "Getting Ready for Conferences" form before your scheduled conference. The form can be found on the [School Forms](#) portion of the website.

PRIMARY PARENT EDUCATION OPPORTUNITY!

Making Real Life Practical October 20th 6:30 to 8:00 Emory Campus - Shiela's Classroom

Please join the primary teachers (Deedee, Marian, Shiela, and Myesha), as they share the many practical life activities your children explore in the classroom each day. All four primary teachers will be available to give lessons and answer questions as you learn more about the children's experiences with Grace and Courtesy, Care of Self, Care of the Environment, and Control of Movement. We hope this glimpse into the practical life of a Montessori classroom will inspire you to encourage your child to participate more fully at home.

GIVING AND GETTING INVOLVED

Thank you Volunteers!

Its official, Tracy Barry and Peggy Khajavi have agreed to co-chair Auction 2012! Information regarding auction date, location and plans will be coming your way in the next couple of weeks! If you haven't signed up yet to serve on a committee and aren't sure where you can be most useful, contact [Martha Addison](#) or your classroom PIC.

Annual Fund 2011/2011 Campaign Underway!

This time each fall Arbor reaches out to every family for support to the Annual Fund; look for your letter in the mail. Your gift provides the funding necessary for Financial Aid, Faculty Education and the Booster Club. Each of these elements provides our children with a culturally diverse and rich environment that builds and sustains the Foundation to Flourish.

Fall Catalog Shopping Spree continues!

Your support of Arbor's fundraising efforts is needed. Please consider a purchase from [QSP](#) and [Innisbrook](#). We recently received a check from Georgia Natural Gas (\$105) and Napoleon's (\$74). Visit Arbor's [Giving Partners](#) page for a complete list. Arbor earns from 5% - 40% of any purchases made through these vendors!

Anyone can Help!

Remember friends and co-workers may join in our efforts; we welcome their support. If you have any questions about our fundraising programs or Parent Involvement, please contact [Martha Addison](#) in the Development Office.
